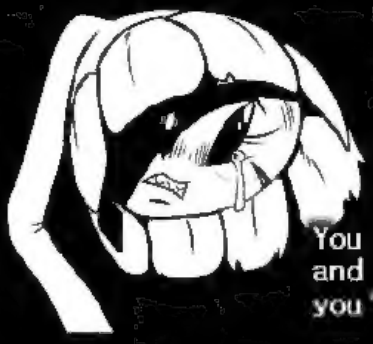
HER
UNDERTAIL
MONSTER-GIRLEDITION
PART 8
Coming...
From the
Underground

Why...?

Why did you let me go?



Don't you realize that your kindness ended up getting you hurl?

Look at yourself.

You fucked so many monster-girls, and made them your friends. But now, you'll probably never see them again.

Not mention how much they've been set back by you. Without the SOULS, they're trapped in the underground forever....

Sucks, doesn't it?

If you had just gone through without caring about any of the girls then, you wouldn't have to feel gultiy now.

So I don't get it.

If you really did everything the right way, why did things still end up like this?

Why...?

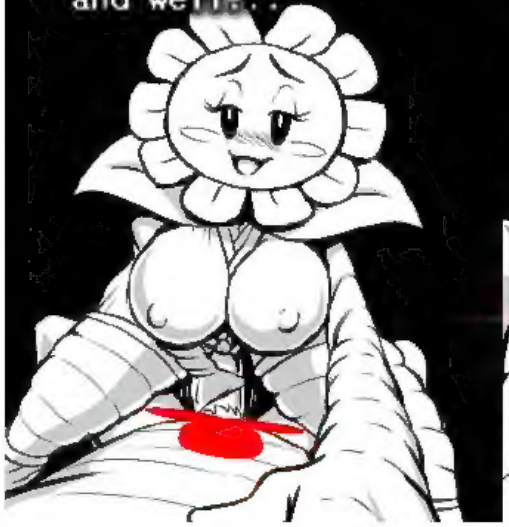
Is life really that fucked?

...

Say. What if I told you, I knew of a way to get you a ..."better ending"?

A happy ending?

You'll have to trust me on this, which I know that's a lot to ask, and well...



In the meantime, mmh, why don't you go see Dr. Syhpla?

Hnnh, It seems like ynnh, you could have been alittle closer~

W-Who knows, nmh! Haah, maybe she, hmmh! holds the key unnh! Hahh, to your haaAah! H-happiness~!

See you soon~

*RING~

IT IS FRISKY,

Ah...
Damn, that was...abrupt.

Hey doc!
Syh?
Syhpla?
You in here?
(A note's on the floor...?)
"* To my friends,
Thank you for your help back there. You guys, your support really means a lot to me. But my problems can't magically disappear. I want to be better, and I don't want to be afraid any longer. For that, I have to face my own mistakes, starting now. This is my own problem, no one else's. If you don't hear from me again, if you want to know "the truth", enter the opened metal door. You all at least deserve to know what I did.
- Syhpla"

* Entry 5:
* I've done it!
* With these blueprints, I've extracted it from the men's SOUL's.
* I believe this is what drives the lustful part of their SOULs even after death.
* The will to keep fucking.
* For now, this power will be called;
* "Determination"
(Determination...)
(...That...)
(I really hope that was nothing.)

(The door to the generator is locked by four keycards. FOUR fucking keycards just to open ONE door.)
(Sigh...)
(At least I found one of them.)
(Doesn't help that this place is as humid as hell's asshole.)

* Entry 14:

* Everyone that had fallen has now woken up. They're all walking around and talking like nothing's wrong. I thought they had all died?

("DIED"!?)

(Dammit Syhpla, what kind experiments were you doing down here?)

(Oh don't tell me I'm dealing with zombies... or ghosts...)

(ghost zombies... made of cum!?)

(Okay, calm down Frisky, just)

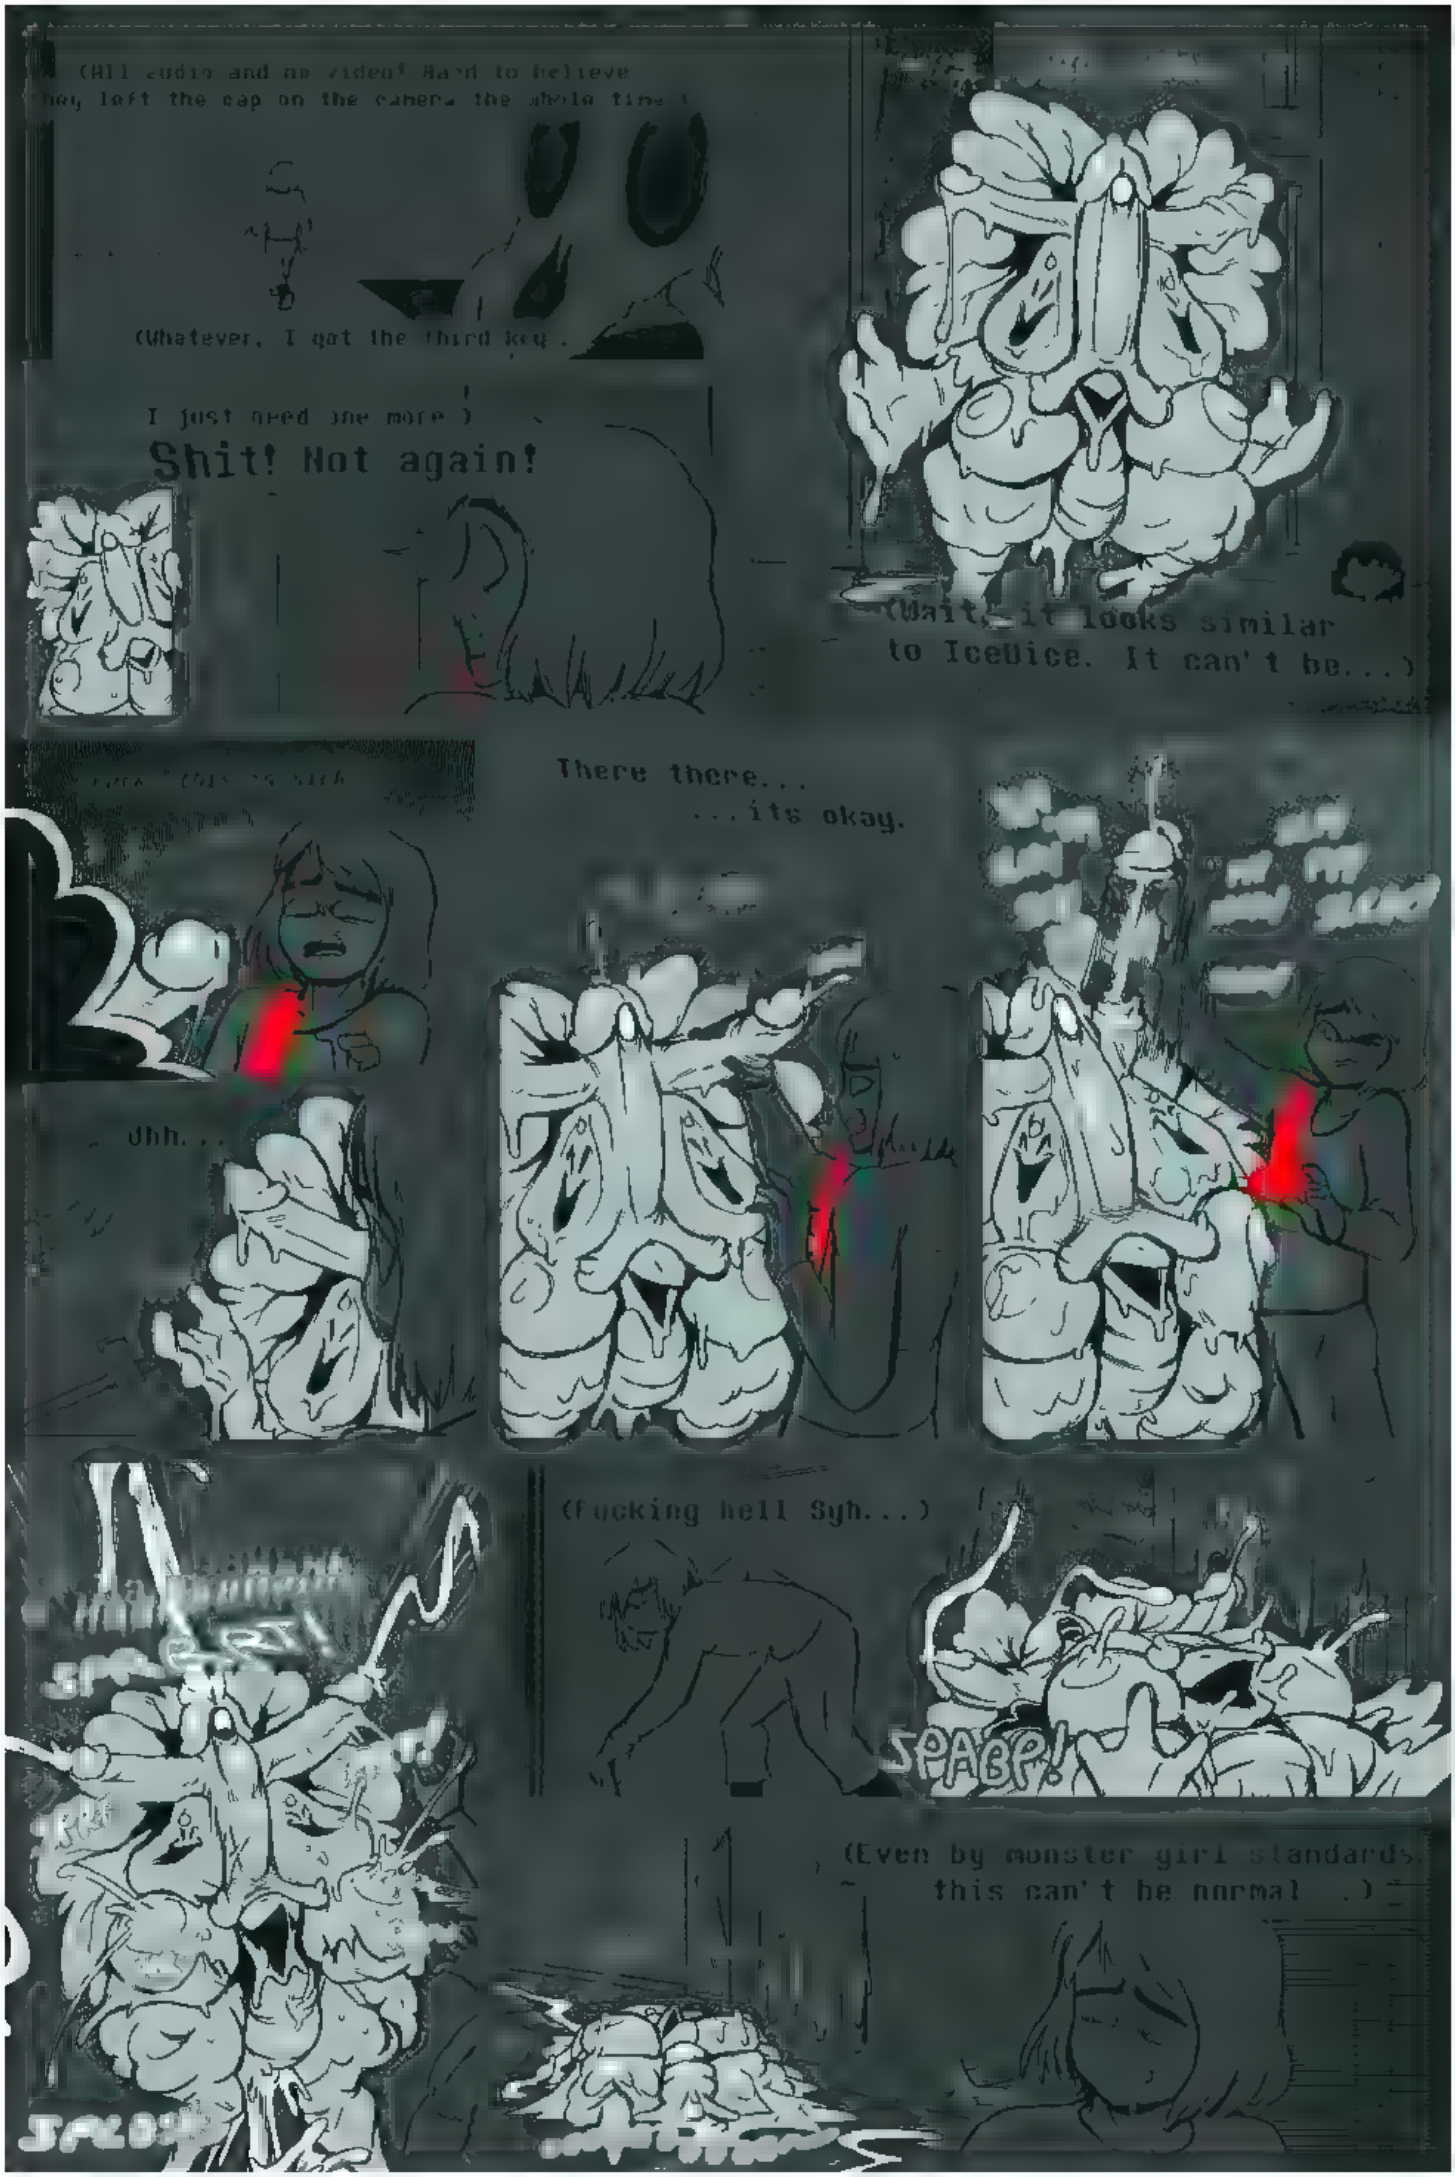
Okay, a TV...
Television can't kill me...
As far I know.
VHS tapes?
Damn. I haven't seen retro shit like this in years.
Hm...
They seem to be all numbered
#5/5
Lets see...
Okay, let's just skip to the last one.
I don't want to stay in here for too long.
* Ahh, Ahh~
* Wh-Wha? Naa, yes.~
* I kn-Ah-know, I will. Mmh~
Wha...?
(I can't make out what the other voice is saying...)
* Six, right? Unh,
* Nah, nah, we have to get six.
* We'll free u-everyone.
* And we'll d-do it, Vnnh, together~
... That's all?
Who *and* what the fuck was that all about?
Dammit I better look over the other tapes



(All audio and no video? Hard to believe they left the cap on the camera the whole time.)
(Whatever. I got the third key.)
I just need one more.)
Shit! Not again!
(Wait, it looks similar to Icevice. It can't be...)
There there...
...its okay.
Uhh...
(Fucking hell Syh...)
SPABP!
(Even by monster girl standards this can't be normal.)

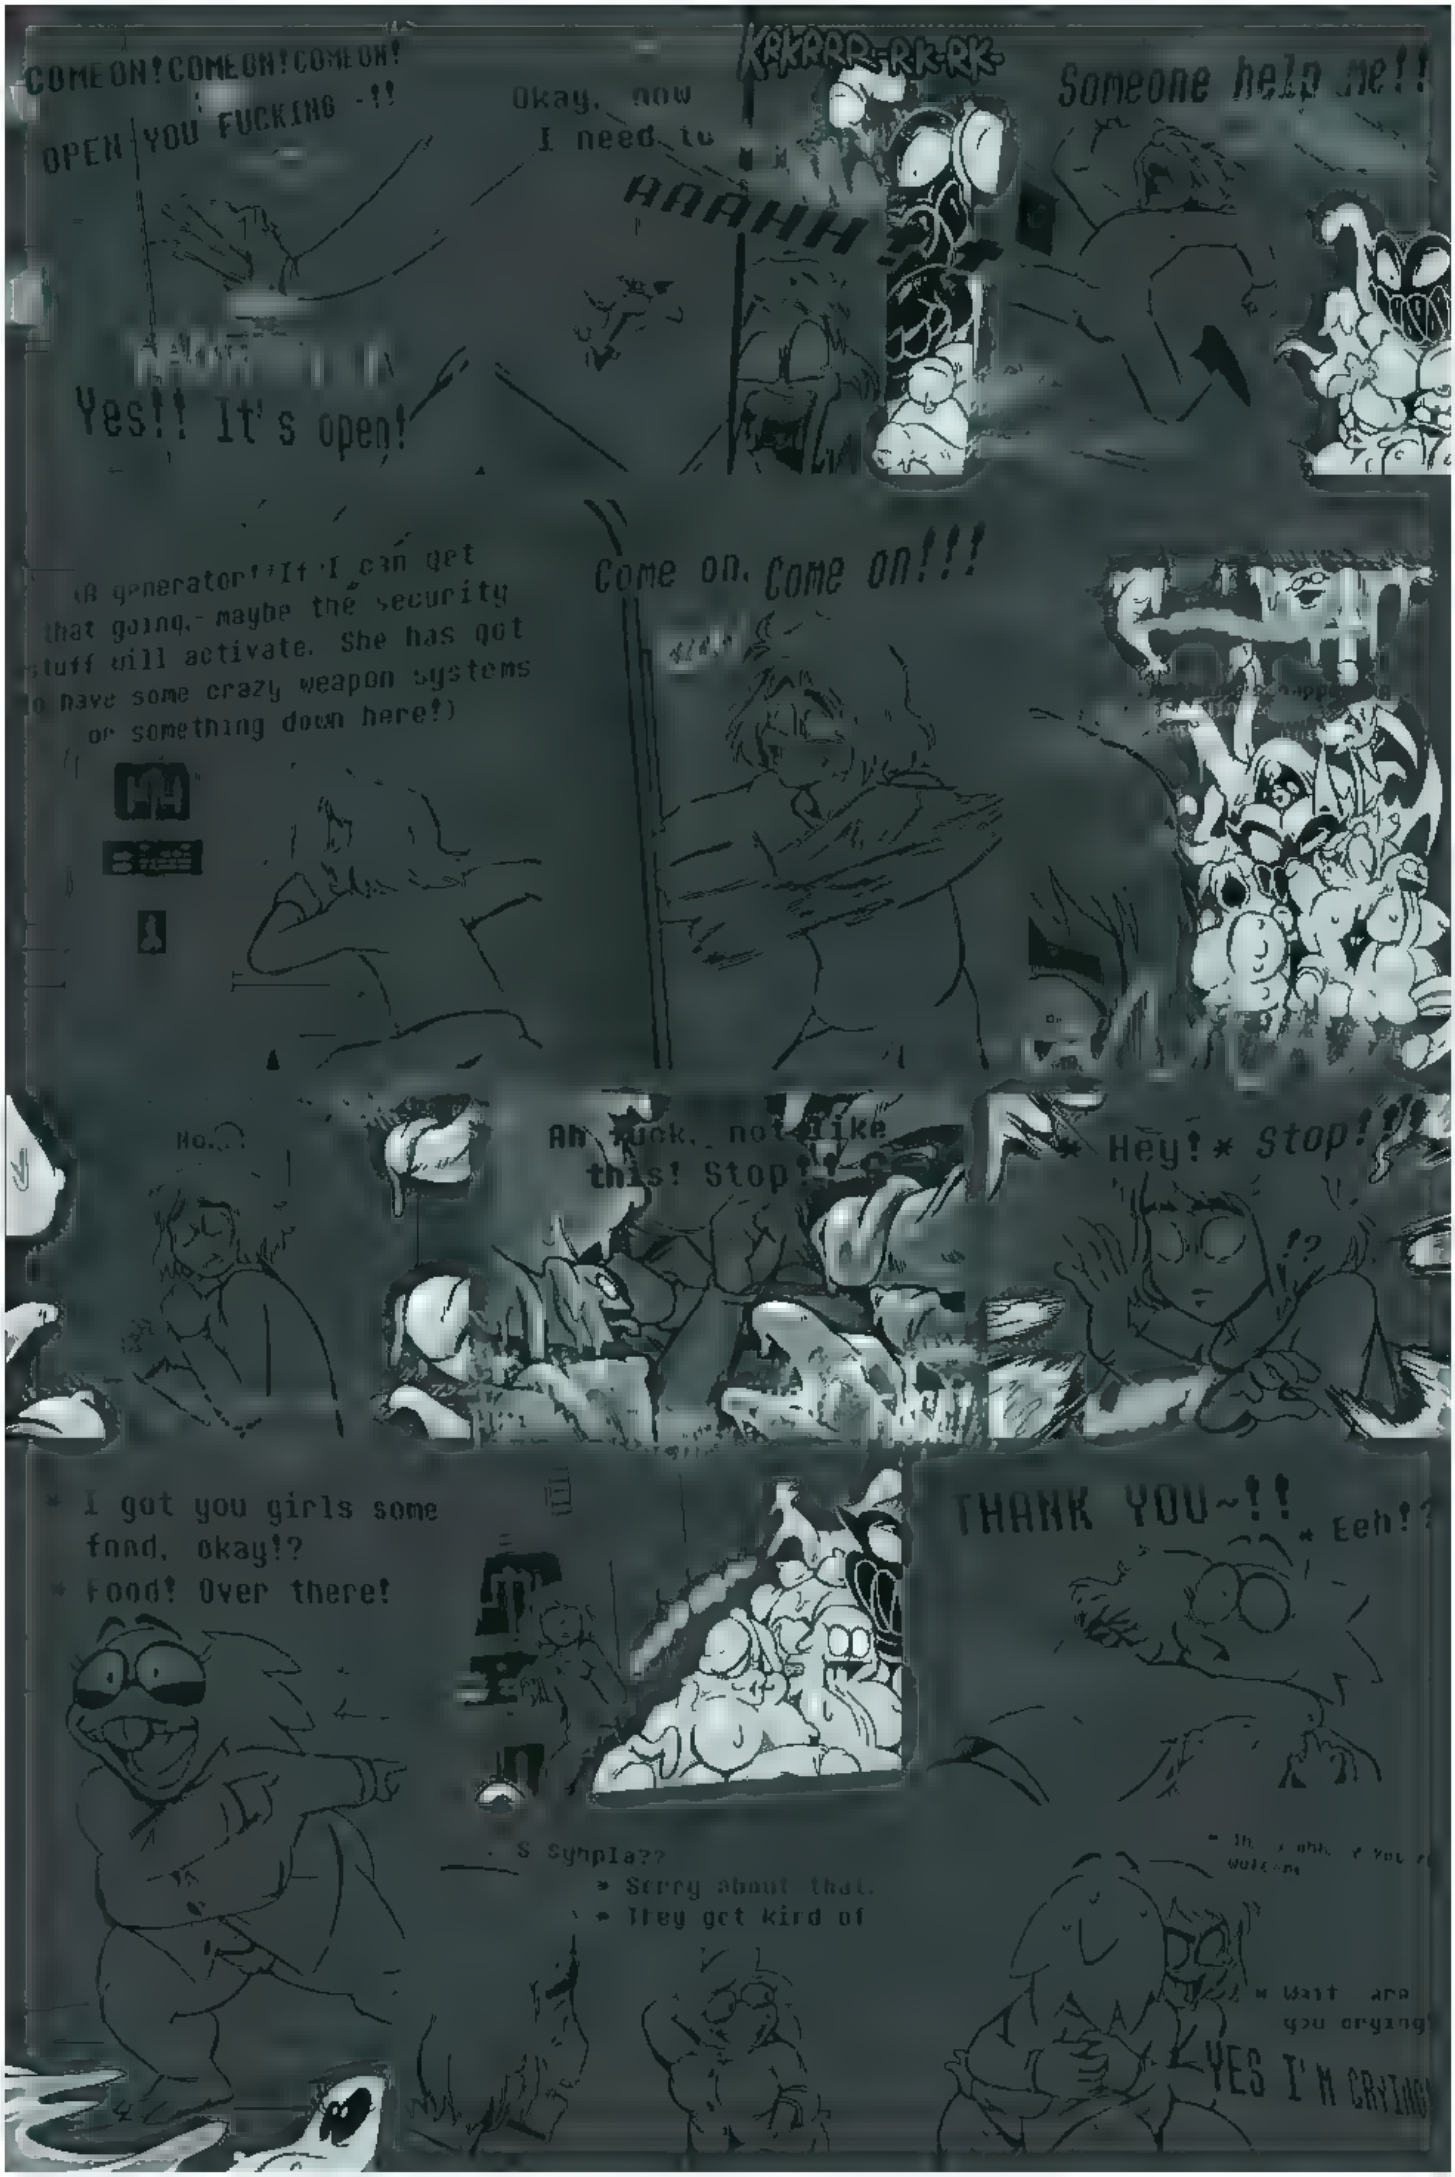
(Synpla's got a lot of explaining to do.)

(Fuck, no wonder she didn't want to tell the truth to anyone...)

Welcome to my special heaven.

AAAAAAAAAAAAAAAAAHHH!!!!

AAAAHAHAHAHOHOHAHAHAH!!!



COME ON! COME ON! COME ON!
OPEN YOU FUCKING -!!
Yes!! It's open!
Okay, now I need to
AAAHH
KAKARP-RK-RK-
Someone help me!!
(A generator!! If I can get that going, maybe the security stuff will activate. She has got to have some crazy weapon systems or something down here!)
Come on, Come on!!!
No...
Ah fuck, not like this! Stop!
Hey!* Stop!
* I got you girls some food, okay!?
* Food! Over there!
THANK YOU~!!
* Eeh!?
* Sympla??
* Sorry about that.
* They get kird of
* What are you crying?
YES I'M CRYING!

* ASSMORE asked me to study the lustful nature of men's SOULs.

* During my research, I isolated a power of pure lust I called

Determination, right?

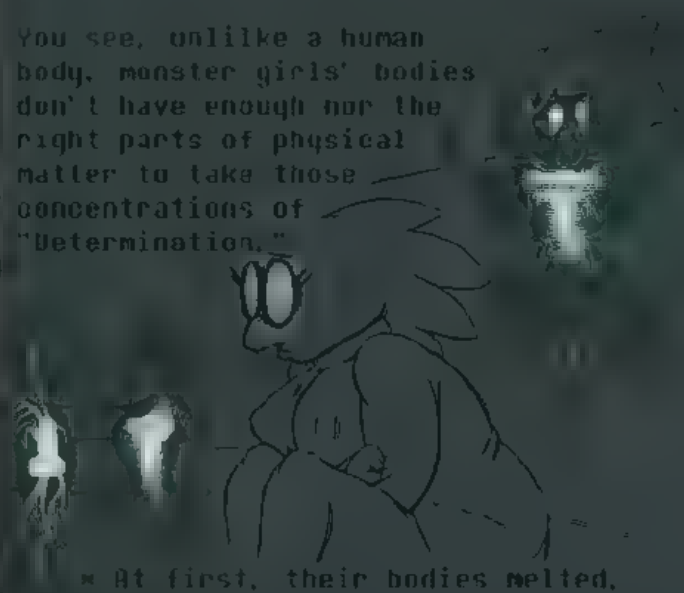
* Right. I injected it into dying monster girls so their own SOULs would last after death...

Well it definitely "worked" alright.

* ....

Sorry.

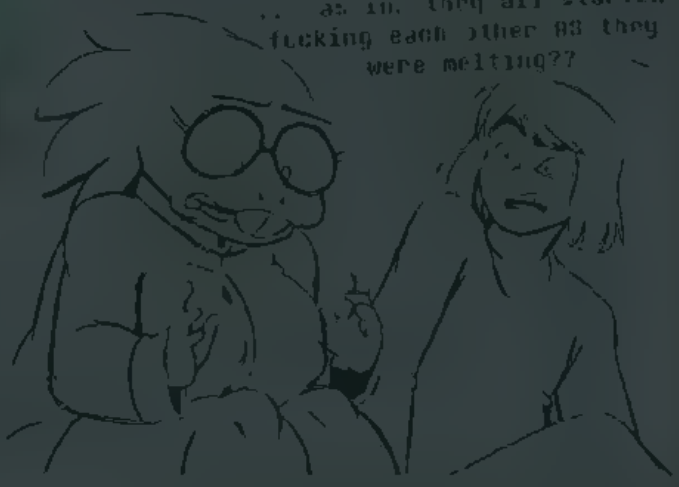
You see, unlike a human body, monster girls' bodies don't have enough nor the right parts of physical matter to take those concentrations of "Determination."



* At first, their bodies melted, and then dicks, multiple of them, started to grow out of them.

* Pretty soon, all of the test subjects had melted together, and fucked together, into...

Whoa, back up! "*fucked together*"?! .. as in, they all started fucking each other AS they were melting??



Yes! Seeing them like that, it was both sick and oddly arousing!

I thought about it for days, and I even considered

STOP!

* *I mean I didn't do it!*

* For t... oh, I just only thought about it.

Ghneeeeuuuuu...

families about it... couldn't
bring myself to... anymore...
and I was too afraid to
do any more work, I'm
ruining...
All I could think about
was what I did to them,
and... their d dicks...
Again, ew
...everything I'd done
so far had been such a
horrific failure.
Okay, at this point you HAVE
to tell to truth. You can't
keep these things, I mean,
these girls in this lab forever
I know. I've changed
my mind about all this.
I'm going to tell
everyone what I've done.
Good, its the least you can do.
* Its going to be hard
Like a
* Like a dick. Heheh.
I know...
Made you smile~
Its good to know I
have friends to fall
back on..
* I know it'll be easier
to stand on my own now.
* Thank you.
Well, if you really want
to thank me doc...
You can act as a
"palate cleanser" for me~
* O-OH!?
* R-Are you s-sure...?
Yeah, I'm sure.

* "No! Stop! It hurts~!"
* Hehehehe~!
* Creatures like us, ones filled to the brimmed with lustful DETERMINATION
* Wouldn't hesitate to FUCK each other until one of us stopped moving... permanently?

* W-Why am I shaking?
* I'm not... horny...
* then wh-what am I feeling right now?

* You're not still mad about me trying to fuck you in the ass back at the RUINs, r-right?
* Whoa! WHOA!
* The fuck you doing!?
* Back the fuck off!!
* Look, I... I'm having second thoughts about this.
* I'm not saying "No", just...
* Maybe we should keep things the way they are.
* If we go back up the surface, then you'll...
* HEY!! Don't point that fucking th-thing at me!
* And stop making that creepy face!
* C-CREEP!
* ...you've been busy, huh?

Knock knock.
* EEP!!
* L-Look away!
* Please!!
(I see she's been keeping herself busy.)
* Okay, ready.
* Back so soon?
(Damn, and she cleans up pretty quickly.)

One walk later...

* How are you feeling now?

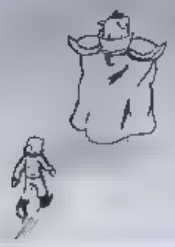
I'm... still conflicted, but I must do what I have to.

* ...I see...

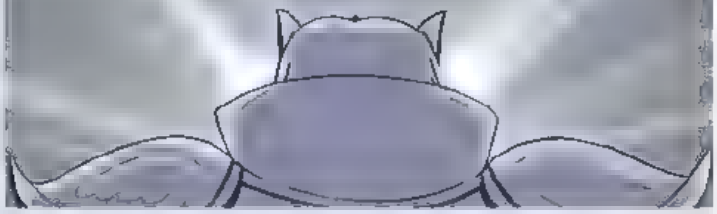
So what's up with this . place?

* This is the barrier.

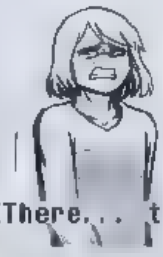
* This is what keeps us all sealed here, in the underground.



* This is where the fate of all monster-girls, * will be decided...



Yeah, I-I guess so...

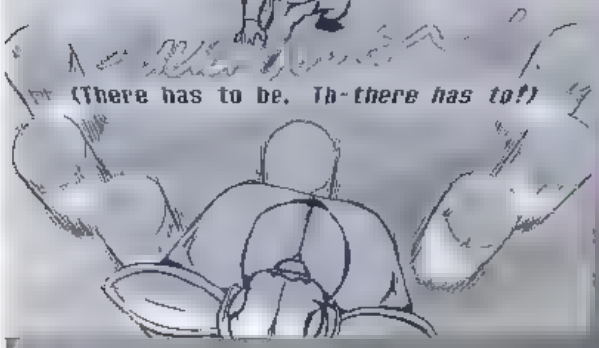


(There... there has to be another way.)

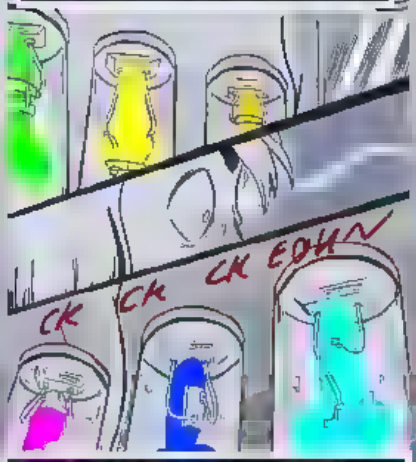
* Are you ready?

I... ehh..

(There has to be. Th-there has to!)

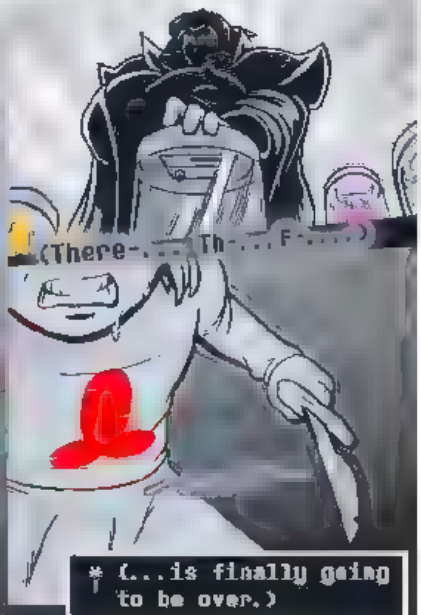


* (A strange light fills the room.)



* (Twilight is shining through the barrier.)

* (It seems your journey ...)



* (...is finally going to be over.)

(FUCK IT!!)

THMP!

There's no fucking way I'm dying like this!!

I'll fuck YOU into submission!!

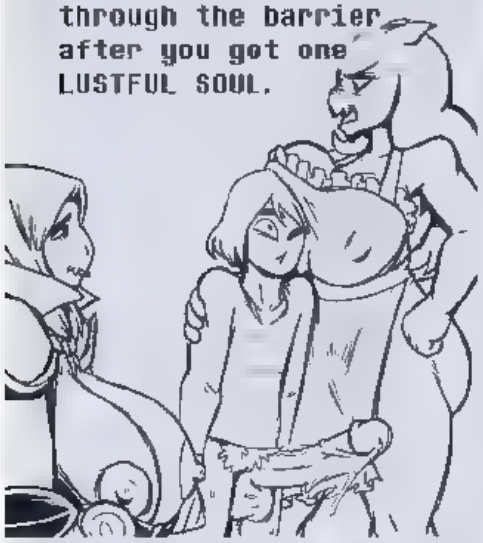
* I could not stop worrying about you.
* Your adventure must have been so treacherous.
Well the first half wasn't too bad~
MhMmhUhTrrHhh~
* I realized I cannot allow you to make such a horrible choice.
* It is not right to sacrifice one life to let another leave.
* So for now, let us suspend this conflict.
* (That punch...)
Tutori... t thanks.
* As terrible as ASSMORE is,
* She deserves mercy too.
* I... Tutti...
* You came bac--
* Do not "Tutti" me, MISS Derear!
(Pfff, "Tutti")

* You pathetic bitch.
* If you really wanted to free our kind,
* You could have gone through the barrier after you got one LUSTFUL SOUL.



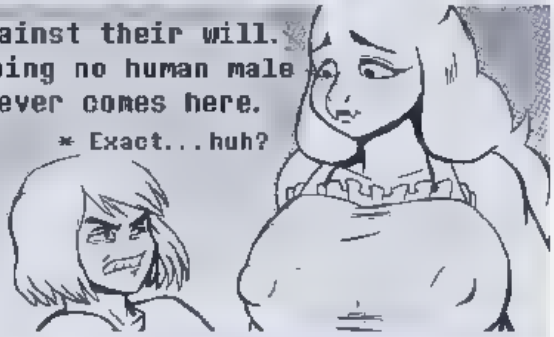
* But instead, you made everyone live in despair...

Forcing them to stay here.

* Right.

Against their will. Hoping no human male ever comes here.

* Exact...huh?



Tutori, you're no different than Assmore is!

* Wh- How dare you!
* I have not killed a single man that has-

So its fine if one of you used one LUSTFUL SOUL to gather the other six?

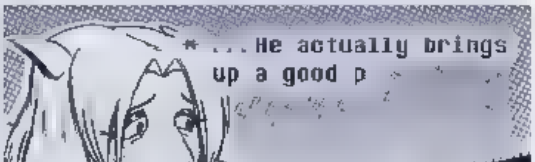
How are you going to do that without fucking them to death? Huh!?

* Wh...!?

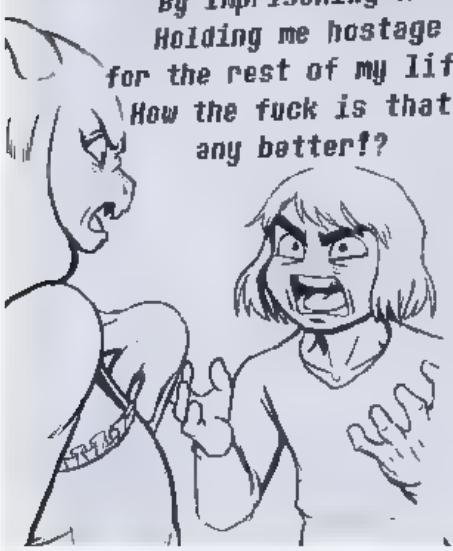


* ...He actually brings up a good p

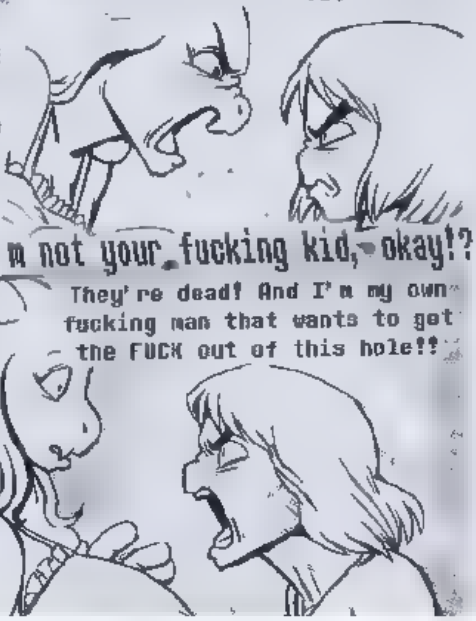
* Be quiet you!

* Assmore and I are NOT the same!
* I protected you from her!

By imprisoning me? Holding me hostage for the rest of my life!? How the fuck is that any better!?



* You ungratful little-
* I was willing to treat you like my own child!



I'm not your fucking kid, okay!?

They're dead! And I'm my own fucking man that wants to get the FUCK out of this hole!!

* Wh... how did you...?

The... the other monster-girls told me about Angel and other guy...

(For fuck sake, they don't even have the same body type...)

Oh Comic, there you are. Where have you been?
* That voice ...!!
* Comic?

* Comic, is it you?
* oh hey... i recognize your voice too.
* tutori, from the other side,
* Of the door, yes!
* It is so wonderful to see you in person.
* same.
So you two really do know each other, huh?
* yup, told ya.
* long-story-short; knock-knock jokes are a great way to befriend milfs.
* we kept each other entertained during our down-times.
* Can we be friends again, Tutori?
* (Sigh)
* NO Miss Derear
* But yes Frisky, she has told me so much about her sister Tempus, and kept the promise to watch over you.
* it was no biggie.
* now that you're here, i can lay my best puns on ya.
[CONFUSION GROWING]
[Jealously rising]
?
[shipping intensifying]

* Its okay ASSMORE!
* There are plenty of fish-girls in the sea...
* A Right!
* S-Sometimes you've just got to, uh...
* S-stop going after someone furry, and uh...
* Go for someone with a bit more... scaley...?
Speaking from experince?
* Its just a metaphor.

* Well, I think its a good analogy~
* WILL YOU TWO JUST FUCK ALREADY?!

* Shut up MISS Derear!
IT WAS AN ACT OF BLIND PASSION!

I guess...
I guess I'm stuck here for awhile then, huh?

I don't want to die, and I honestly don't want to see any of you die either...

Look, I'm sorry if I've been harsh, but I've been thrown into a world that feels like both a wet-dream, and a night-terror...
You monster-girls aren't perfect, but I shouldn't judge since I'm not perfect either.

We're at a stalemate, yet it's not a bad one. On the bright side, not only am I among good friends here, they're a great group of fuck-buddies too.

My life will *never* be normal again, but...
Despite everything, I'm still me. Frisky.

Despite it all, I think...
I think can find happiness here...
And you know what?
Some day, it'll get even better.

* Think again bitch.
